NamUs - National Missing Persons Data System Case Report #405

Interesting book on missing persons cases in Australia. Almost all the cases were abductions, and I was familiar with a few of them, since they'd happened since I came to Australia. Well written and interesting. Highly recommended.

Missing You: Australia's Most Mysterious Unsolved Missing

persons and includes those who go missing in a wide variety of circumstances, ranging from those who become missing as very young children to those who do so in old age. This diverse group includes both people on the margins of society and those living unremarkable lives in the mainstream, those who have chosen to go missing and those who have been compelled to do so. This is the first study ...

Missing persons in the UK - york.ac.uk

with the media, types of missing persons cases, technology available, partner organizations, and individual agency experiences with missing persons. Based on the ideas and concerns shared at the focus group, this publication was developed to reach those managing law enforcement volunteer programs. This publication provides a discussion of the differences between a runaway child and an abducted ...
