to new experiences, they realize that old age is a broader and deeper phase in life during the existence. Others, on the contrary, remain rigid as to the changes characteristic of old age and the way of seeing and identifying old age. Thus, the way of thinking and the meanings attributed to old age and aging by each old person are founded on dy-

Global Population Ageing: Peril or Promise? 25 The Origins of "Ageism" What are the origins of such prevailing negativity about ageing? According to Robert N. Butler, founder of the International Longevity Center (ILC) in New York, answers are found both in the past and the human psyche. In his introduction to Ageism in America, a 2006 ILC report, Butler writes that old age was generally ...
